

## Your Partner for a World of Chemistry

Known as a reliable strategic partner since 1994, Kingchem offers supply-chain assurance to customers around the globe in the **Pharmaceutical, Chemical, Nutraceutical, Food and Beverage** industries.

With commercial and administrative offices in the United States backed up by our own manufacturing, R&D, sales and logistics facilities in China, our resources allow us to leverage both Eastern Value and Western Management for our customers.

Whether for chemical products we manufacture directly or for naturally derived nutraceuticals, chemicals or pharmaceuticals sourced from our comprehensive network of skilled manufacturing partners, Kingchem invites you to experience our award winning customer service, in-house analytical capabilities and industry-leading insurance.

Contact us today to see how our two decades of proven track record serving the Life Science & Nutritional industries can offer competitive advantage to your company.

*Proudly certified as a bona fide Minority Business Enterprise by the National Minority Supplier Development Council, Inc. (NMSDC) and adopted by the NY and NJ Minority Supplier Development Council.*
